

SCHOLARSHIP FAQ DOCUMENT

What is the requirement for applying for the scholarship program?

Active enrollment in a college or university program accredited by the American Board of Funeral Service Education (ABFSE).

Can I be a scholarship recipient more than once?

Scholarship recipients are eligible to receive one (1) SCI Mortuary Science scholarship award.

When is the last day to submit my final transcript?

The deadline to apply for the scholarship program is December 31st.

May I apply after the December 31st deadline?

Unfortunately, applications will not be accepted after the deadline. However, the annual scholarship program is open from July 1st to December 31st.

When will the scholarship winners announced?

All applicants will be notified of their selection status in February.

What does the scholarship application include?

The application process includes an essay, open-ended questions and video submission. An official transcript and resume are also required.

How long should the video response be for the application?

Your response must be at least 3 minutes long but no more than 5 minutes in length.

If my information changes after I have submitted the applications, what do I do?

To edit your application after submission please email campus.relations@sci-us.com.

Is my award contingent upon working for Service Corporation International (SCI)?

No, you are not required to accept an offer of employment in order to receive a scholarship award.
