

Cremation Remembrance

Every Detail Remembered™

Dignity®
MEMORIAL

Honouring every detail *of a special life*

A memorial service gives family and friends the opportunity to say goodbye and find comfort in sharing their loss with others. A service or visitation can be held with or without the urn present and can be as customized as you wish, including memorable touches such as music, readings, mementos or other forms of personalization. Think about the life represented and how to best reflect it. Your Dignity Memorial® professionals can help you plan every detail to create a distinctive event that is truly the celebration of a lifetime.

Lasting *remembrance*

Selecting a place of permanent remembrance is one of the most important things you can do to celebrate the memory of a special life. It not only gives family and friends a place to reflect and pay tribute, but can also create an enduring legacy for future generations.

Permanent memorials can include:

- Family estates
- Garden niches
- Indoor and outdoor columbaria
- Cremation benches and pedestals
 - Companion memorials
 - In-ground burial
- Custom memorials to reflect life's passions and meaning

PERSONAL ENGRAVING	SCATTER	WATER SCATTER	CATSA RECOMMENDED

Please note that because of the unique nature of each urn's material, variations in colour and size may occur.

Engraving options will vary depending on the size of the urn or keepsake.

CATSA's Transportation of the Deceased

The CATSA suggests that plastic, cardboard, cloth and wood urns are most likely to be permitted through airport security. Metal, stone and ceramic urns are least likely.

The Dignity Memorial® brand name is used to identify a network of licensed funeral, cremation and cemetery providers owned and operated by affiliates of Service Corporation International (Canada) ULC.

Jewellery & Mementos
