GENERAL PRICE LIST

These prices are effective as of April 23, 2024, but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF THE FUNERAL DIRECTOR AND STAFF AND OVERHEAD

\$4.785

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.) This fee includes the following:

- > Personnel available 24 hours a day, 365 days a year to respond to initial call.
- > Arrangement conference.
- > Coordinating service plans with cemetery, crematory, and/or other parties involved in the final disposition of the deceased.
- > Preparation of necessary forms for governmental agencies.
- > Also covers overhead, including facility maintenance, equipment and inventory costs, liability insurance and governmental compliance costs.

PREPARATION OF THE BODY

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Embalming \$995

OTHER PREPARATION OF THE BODY Dressing and casketing of deceased \$295 Bathing and handling of unembalmed deceased \$395 Hairdresser \$75 Special Care for Autopsied Cases \$695 Cosmetology \$95 Refrigeration \$500

(It is the policy of our firm to require refrigeration of unembalmed remains after 6 hours.)

We comply with federal regulations imposed upon funeral services through OSHA compelling us to use universal precaution procedures and garmenting to protect our personnel and the public as much as possible from the risk of bloodborne and airborne pathogens whether the deceased is embalmed or not.
